CHRISTMAS AT THE EDGE
OF CORNWALL

POLURRIAN

come for the sea air. Stay for the magic.

There's something wonderfully unhurried about a Christmas spent on the Lizard Peninsula. The world slows down, the Atlantic stretches out before you, and the only thing on your agenda is making memories with the people you love most.

This festive season, we're inviting you to swap the familiar for something truly special. From delicious locally inspired dishes and cocktails with a twist, to entertainment, activities, and the kind of warmth that only a small, passionate team can offer, Christmas at the Polurrian is one you'll talk about long after the decorations come down.

the recharger

27th – 30th December
Three Nights

FROM £645 PER ROOM

The tree is still up. The wrapping paper has barely been cleared away. And somehow, you already need a moment to breathe.

The Recharger is your invitation to do exactly that, a three-night escape in the quiet, unhurried days between Christmas and New Year, spent in one of the most naturally beautiful places in Britain. There's no agenda here. Walk down to the beach and let the winter sea clear your head. Wander the clifftops as the year begins to wind down. Treat yourself to a spa treatment designed to melt away the December rush. Then come back in, warm up, and sit down to the kind of dinner that reminds you what indulgence really means, locally sourced, carefully crafted, and served in our newly-refurbished restaurant with views to match.

This is the part of Christmas most people forget to give themselves. Don't miss it.

Rates from 645 for three nights, based on two adults sharing an inland room. Inclusive of breakfast and dinner daily. Available 27th–29th December.

roar into 2027

NEW YEARS EVE
Three Nights

FROM £975 PER ROOM

There's only one question worth asking on New Year's Eve, where do you want to be when the clock strikes midnight?

This year, we're bringing the bright lights to the edge of Cornwall. Think Vegas baby, glittering disco balls, casino tables, an Elvis who absolutely has entered the building, and a dancefloor that won't quit until the early hours. If you've been saving a showstopping outfit for exactly the right occasion, this is it. Sequins, feathers, tailored suits, statement everything, the more dazzling, the better.

The evening begins with a three-course New Year's Eve dinner served in the Restaurant from 5.00pm, with the party building beautifully around you as the night unfolds. Try your luck at the casino tables. Strike a pose at the photo booth. Let our magician baffle you with something up close and impossible. Dance to your favourite anthems. Or simply sip something spectacular and soak it all in, there's no wrong way to do New Year's Eve here.

If the dancefloor isn't your natural habitat, the games room is yours for board games, and our cinema room will be running a curated selection of films for a quieter kind of celebration. However, you choose to see it out, 2027 starts here.

As midnight approaches, one lucky guest will be drawn to receive a bottle of Champagne, perfectly timed for the countdown. Auld Lang Syne will ring out across the Atlantic at midnight, and the bar stays open until 1.00am.

NEW YEAR'S EVE DINNER
Three courses in The Restaurant
£65 per person (party tickets included)

The Restaurant Party Ticket
— DJ & dancing
£15 per person or combine both for the full evening

Rates from 975 for three nights, based on two adults sharing an inland double room. Inclusive of New Year's Eve dinner, live music, New Year's Day breakfast and dinner.

'Tis the season to celebrate

The festive season only comes once a year, so it deserves to be done properly.

Think panoramic coastal views, a restaurant and bar setting that feels genuinely luxurious, and a festive menu that gives the kitchen a chance to really show off.

We'll take care of everything. You just bring the good company.

GIVE YOURSELF THE GIFT OF BLISS

The festive season has a way of filling every moment with doing things for other people, and we love that about it. But somewhere between the shopping, the wrapping, and the visiting, it's worth carving out a moment that's entirely, unapologetically yours.

Our spa sits at the heart of the Polurrian, a calm and unhurried space where the outside world genuinely feels far away. Whether you're looking to arrive glowing for Christmas, recover quietly from the whirlwind of it all, or simply treat yourself because you've earned it, we have a Festive Spa Day designed just for you.
